Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 22 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy and damp at first. Becoming drier and brighter today.

Today:
Rather cloudy with some patchy light rain and drizzle at first. The cloud thinning and breaking to give some bright or sunny spells into the afternoon. Feeling pleasantly warm in any bright or sunny spells, with light winds. Maximum temperature 18 deg C (64 deg F).

Tonight:
A fine end to the day, with some evening sunshine. Dry with clear spells overnight and turning chilly in some rural spots, with isolated mist patches. Minimum temperature 4 deg C (39 deg F).

Wednesday:
A chilly start in some rural areas, otherwise, it will be a fine and dry day with sunny spells for many. Feeling warmer than on Tuesday, with light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Largely fine and dry on Thursday, before rain or showers move southeast overnight. Further showers on Friday and Saturday, possibly heavy and thundery at times. Warm in the sunshine.
